Walking tips for winter

Travel to/from your local christmas market

£2 bus fare extension!

Best E-Bikes for Christmas

£2 Bus fare extension

Have you seen the news? **The £2 bus fare cap has been extended to December 2024!** From December 2023 this will increase to £2.50 for 12 months.

Check out the QR code for more info: 

What does this mean for me?
On average most bus journeys before the cap cost nearly £3, this is a 1/3 saving for a standard journey. This means you can save on your day to day travel, and in many cases a return has become cheaper than driving.

Christmas Market: How to get there

45 minutes to the market if you catch the X10 bus!

For more information about the Christmas Market, scan the below QR code!

Walking tips for Winter

Here are three key tips for keeping warm when walking in winter:

1. **Dress Appropriately** – Wearing warm and waterproof clothing will keep you fit and ready to go!
2. **Take it Slow** – Try to walk at a slower pace during the winter, you need to be careful of slippery surfaces!
3. **Stay Visible** – The sun sets a lot earlier during the winter so if you are out walking late, make sure you can be seen!
